**Safety Class for your 5-12 year old!**

## **Increase your child's safety and self-confidence!**

Through fun and exciting activities, we teach how to tell if a stranger is good or bad; how to use family passwords (and when knowing the password doesn't count); when it's okay to knock everything off the shelves in a store; and how to respond when someone offers your child 'candy'. We also teach real physical techniques that kids can use successfully against a predator, including strikes, kicks and blocks. Also covered: how to handle bullies, good touch vs. bad touch, Internet safety and more!

Each child receives a radKIDS activity book and family safety manual. Taught by Pam Adamchik, Nationally Certified radKids instructor.
